<b>Responsibilities</b>

## **Management**

Management will ensure, as far as is reasonably practicable, the health and safety of:

- all employees engaged, or caused to be engaged by us
- all employees whose activities in carrying out work are influenced or directed by us
- other people, by ensuring they are not put at risk from work carried out as part of our business undertakings.

Management will also:

- provide and maintain a work environment free from risks to health and safety
- provide and maintain safe plant (equipment), structures and safe systems of work
- ensure the safe use, handling and storage of plant (equipment), structures and substances
- provide adequate facilities for the welfare of workers in carrying out work
- provide any information, training, instruction or supervision that is necessary to protect all people from risks to their health and safety arising from work activities
- ensure that the health of employees and the conditions at the workplace are monitored for the purpose of preventing illness or injury of employees arising from our business
- consult with employees on all matters relating to health and safety.

## **Employees**

While at work, our employees must:

- take reasonable care for their own health and safety
- take reasonable care that what they do, or what they do not do, does not adversely affect the health and safety of other people
- comply (so far as they are reasonably able to) with any reasonable instruction given by management
- co-operate with any reasonable policy or procedure for work health or safety that has been communicated to them
- not misuse or interfere with anything provided for work health and safety
- report all incidents and near misses immediately, no matter how trivial
- engage in consultation with management to identify, assess and control hazards and the effectiveness of such controls

## **Applying this policy**

Holmit Building Services seek the co-operation of all employees, contractors, visitors and others whom may be affected by our business or undertakings.

We encourage and support suggestions to create a safe working environment as a result of all possible preventative measures being taken.

This policy applies to all business operations and functions, including those situations where workers are required to work off-site.

## **Monitoring and review**

Holmit Building Services will review this policy annually, in consultation with employees:

- to assess the effectiveness of the policy
- by reviewing our overall health and safety performance
- by monitoring the effectiveness of policies and procedures.

## **Communicating this policy**

This policy (and related procedures) shall be displayed in Holmit Building Services workplace/s.

All employees, contractors and others affected by our business or undertakings will be provided with a copy through their manager/supervisor.
